Full height China/Equivalent 12"x20" wall tiles at dining basin.
Hot and Cold water line provision with Cotto/ Equivalent CP fittings.

Night view of **ASSURE** Henakunjo

FEATURES & AMENITIES

Total Foundation and Superstructure Design and Supervision by team of reputed and professional Structural Design Engineers.

Structural Design Parameters based on Bangladesh National Building Code (BNBC), American Concrete Institute (ACI), American Standards of Testing Materials (ASTM), British Standard (BS) and Indian Standard (IS) Codes.

Structural Analysis for Design utilizes the latest Methodology.

Heavy Reinforced Cement Concrete Foundation.

Systematic Structural Combination of Steel Reinforced Concrete Frame and Shear wall Core.

Floor Slabs all Reinforced Cement Concrete.

Sub-Soil Investigation and Soil Composition comprehensively analyzed. Comprehensive Checking and Testing of all steel reinforcement by professional Design and Supervising Engineers.

All materials including Steel, Cement, stone chips, Sylhet Sand and other Aggregates etc. of highest available standard and screened for quality.

Direct Supervision at every stage of construction by a team of experienced and qualified Civil Engineers to ensure Highest Quality of Workmanship.

Construction Site Equipment employed includes Vibro-hammers, Mechanical Rollers, Steel Cutting & Bending Equipment, Welding Equipment, Concrete Mixers, Concrete Vibratos, Water Pumps, Material Handling Equipment, Leveling Instruments etc.

Systematic Testing of concrete and other completed work samples at every from Quality Control Laboratories.

Protection from Cyclone Winds up to prevalent speeds incorporated at structural design.

Structure designed will be flowed by Seismic zone of Bangladesh according to BNBC for Earth quake.

MAJOR STRUCTURAL MATERIALS

STEEL

Deformed Bar Manufactured By BSRM/RSM/AKS/KSRM/GPH/Equivalent.

CEMENT

Manufactured by Seven Rings /Crown/ Lafarge/ Bashundhara/Shah /Metrocem/Anwar/ Equivalent.

AGGREGATES

Stone chips will be used for all major structure (foundation, columns, beams, slabs & water reservoir).

BRICKS

1st class machine made auto/Hollow bricks.

SAND

- I. Coarse Sand (FM-2.5 to FM-3.00)
- II. Fine Sand (FM-1.2 to FM-1.50)

UTILITY CONNECTIONS

Gas pipeline facility for each apartment will be provided, connections will depend on Government approval/ Sanction policy.

Double burner gas stove provision for each apartment.

LPG provision in case of unavailability of Government connection.

All Apartments will have Independent Electric meter.

A common WASA meter for total complex.

GENERAL AMENITIES OF THE COMPLEX

Electricity Supply approx 220V/440V from DESCO source with separate Main cable and HT Panel/Distribution Board.

Water Supply Connection from WASA sufficient as per Total Calculated Consumption.

Underground Water Reservoir with one Main Lifting Pumps and Standby Pump.

Sewerage System for long-term requirement.

TERMS & CONDITIONS

RESERVATION

Application for allotment of apartments in **ASSURE Henakunjo** should be on the prescribed application form, duly signed by the applicant along with the earnest money and other necessary documents. Allotment will be made on "first come first serve basis". The company reserves the right to accept or reject any application without assigning any reason thereto.

ALLOTMENT

After receipt of the application and booking money, ASSURE DEVELOPMENT & DESIGN LTD. will issue an allotment letter and payment schedule. The applicant/ allottee shall then start making payments as per the schedule of payment.

ALLOTMENT TRANSFER

Until full payment of all installment and other charges & registration; the buyer shall not have the right to transfer the allotment to a third party. In case of transfer before registration, buyer must pay 9% money of the total property value to the developer.

PAYMENT

All payment of booking money, installments, additional works and other charges should be made by A/C payee cheque or pay order or bank draft or cash in favour of ASSURE DEVELOPMENT & DESIGN LTD. Foreigners and Non-Resident Bangladeshi may make payment in foreign exchange by TT or DD as per exchange rate issued by Bangladesh Bank as on the date of application and subsequently on the dates of the installments paid.

SCHEDULE OF PAYMENTS

That the SECOND PARTY must strictly adhere to the schedule of payments indicated in this allotment agreement. Delay in payments beyond the schedule date will make allottee liable to pay a delay charges of 5% per month interest on the amount of payment delayed. If the payment is delayed for 30 days, the company shall have the right to cancel the allotment. In such case the amount paid by the allottee will be refunded after deducting 5% of the total sales price only after resale of the apartment.

LOAN FACILITIES

If the allottee desire a Housing Loan, the company will do all that is possible to help secure the loan.

DOCUMENTATION VAT & OTHER CHARGES

The allottee will pay stamp duties, VAT, registration fee, gain tax, share transfer fee, documentation charges and other miscellaneous expenses likely to be incurred in connection with the deed of agreement, allotment, registration and transfer etc. Only the actual sums shall be charged.

DEVELOPER'S RIGHT

The company reserves the right to make changes in both architectural and structural design of the project.

POSSESSIONS

The possession of the apartment will be handed over to the purchaser after completion of the apartment and after full payment of the installment and other charges. Until and unless the dues are paid, possession of the apartment will be held by the company.

CUSTOMER CARE AND SERVICE

After performing the deed of Agreement, flat purchaser will contact with the Customer Care Department for any kind of co-operation. The Customer Care Department is committed to serve each and every purchaser through their thick & thin.

DESIGN CHANGE

During the construction work, all allottee must consult with ASSURE DEVELOPMENT & DESIGN LTD. about any changes of both architectural & structural within the Apartment. Otherwise the developer will not be liable for any risk/damage due to lack of previous notice.

OWNER'S ASSOCIATION

The purchaser must undertake to become a member of the owner's association, which will be formed by the developer with the view of maintaining the general affairs of the complex interest. For reserve fund, each apartment owner may have to deposit an amount of money as per association decision.

NOTE

Other financial terms and conditions will be followed according to Company rules. Client will not enforce any change in building elevation. Upgradation of different finishing material will be done on the basis of additional payment.
